Case 1:15-cr-00095-AJN Document 3172 Filed 02/09/21 Page 2 of 3 15cr95(AJN)
TO: The Honorable Judge Nathan,

Sorry to bother you your honor, I'm just writing you to explain my situation of what's been going on with me in here. I've contracted COVID-19 virus and the symptoms that I went through were deadly. I'm not blaming the B.O.P. or anyone for that matter, because I understand that no one was prepared for this pandemic that hit us. I'm throwing myself at the mercy of the court one more time because I honestly feel that the 15 years that I was sentenced to is turning into a death sentence because of COVID-19 and the risks that we are subjected to in here. My risks are greater due to me being paralyzed for life, and I take so many different medication that

it weakens my immune system, so i feel that the next time i do catch Covid-19 virus i will not be so lucky, i'm so scared to die in here your honor. Please, I'm begging you For your Mercy, Compassion and help.

Thank you for your time
your honor.

Respectfully
Oneil DASILVA
